Dear Parents and Carers

It was wonderful to see the children in their costumes on Thursday for World Book Day. Thanks to parents and carers for helping with this! The children enjoyed lots of different activities, including joining live lessons from the BBC and others.

Absence and Illness

We are often asked if children should stay off school or not. There are a couple of useful sources of information for you (and us!) <https://www.nhs.uk/live-well/is-my-child-too-ill-for-school/>
There is also this useful guide from Public Health England which shows how long children need. If ever you are unsure what to do, please do get in touch.

Value of the Month: Creation

Belief in God as creator is not merely a belief about how everything began; it is the perspective from which we are to view all life including our own. It means that we place the highest value on this earth and see life as God's gift. In Genesis, God gives humans certain rights over his creation. With these rights, come responsibilities. We are stewards. A steward manages an estate on the owner's behalf. We have been given the earth to look after by God and to hold it in trust for future generations. If the earth is to sustain our children and succeeding generations, this clearly places limits on how we treat the earth.

The Son is the image of the invisible God, the firstborn over all creation. For in him all things were created: things in heaven and on earth, visible and invisible, whether thrones or powers or rulers or authorities; all things have been created through him and for him.

Colossians 1:15-16
